

# Connecticut State Dental Association

## The CSDA Presents CPR and First Aid Training

This four-hour certification course, facilitated by Lou Brockett, is designed for health care providers who must have a credential card documenting successful completion of a CPR course. The core material covers adult and pediatric CPR (one and two person), foreign body airway obstruction and automated external defibrillator. Course pricing covers the textbook, pathio shield keychain, written and practical exam and course completion card. (4 CE credits)
