

Connecticut State Dental Association

About Us

The Connecticut State Dental Association (CSDA) is a statewide, professional membership organization representing Connecticut licensed dentists. CSDA members are committed to protecting the health and well being of people of all ages. The CSDA was established in 1864 to ensure that patients receive the highest quality of care from dental professionals. With a statewide membership of approximately 1,724 actively practicing Connecticut licensed dentists, the CSDA represents 69% of all licensed dentists in Connecticut.

Mission Statement

The Connecticut State Dental Association supports the professional success of its members and assists them in providing optimal care to their patients.
