

## Albert A. Natelli Jr., DDS

Letter of intent, Candidate to the ADA 2022 HOD

January, 2022

Attention: Kathleen Garrity, CSDA Executive Director

---

Kathleen, it is with pleasure, that I am informing you of my sincere interest and intent to be a candidate for the ADA House of Delegates, Connecticut Delegation member for 2022.

I consider myself to be a servant-leader, with a dedicated history of service to both the dental profession and to the community. I have a clear understanding of the issues facing our profession including but not limited to Medicare Dentistry, matters facing dental education and the practice of dentistry. I have established relationships with other ADA delegates across the country and can easily establish new relationships; this makes me an excellent candidate to represent the organization. I would consider it a great honor to represent the CDSA and the profession as we debate these and other issues at the ADA House of Delegates and appreciate the opportunity to increase my role as an advocate for the dentists of Connecticut, the First District, and across the country.

In conclusion, I am proud to submit my name as a candidate for Delegate representing the CSDA to the annual ADA meeting in 2022. Please feel free to email me at [albert.natelli@sbcglobal.net](mailto:albert.natelli@sbcglobal.net), call me at my office at 860-628-0385 or text me at 860-919-4962 if you have any questions.

Warm regards,

*Natelli Jr., DDS*
