

1/14/25

To whom it may concern,

My name is Dr Kathy Montague and I would like your consideration as a delegate for the 2025 ADA House of Delegates. I have been a practicing Dentist in Connecticut for almost 26 years. And I am currently a member of the Manchester Dental Society and serve in leadership for the society.

I truly appreciated my over 10 years served in the CSDA House of Delegates, as well as my time on Credentials Committee, and gained tremendous experience and knowledge about our organization. I would consider it a great opportunity to experience the ADA House of Delegates and to broaden my knowledge of the association at a national level.

Sincerely,

A handwritten signature in black ink that reads "K Montague, DMD". The signature is written in a cursive, flowing style.

Kathy Montague, DMD
